

Tiki TONGA SANGRIA

ALL NATURAL! NO REFRIGERATION NEEDED

- Classic Red and Tropical White
- No refrigeration needed — Sangria gets poured over ice
- One-way keg = no deposit, no return
- No special gas needed to dispense — can even be hand-pumped with air
- Authentic Spanish Sangria = fruity, but not too sweet
- Product stays fresh for 9 months after tapping
- Kegs may be untapped, stored, then retapped an unlimited amount of times (perfect for caterers)
- Clamp-on towers allow for portability and will create an extra offering rather than taking a kegerator spot
