

Tiki Sangria
Authentic Spanish Draft

TAP IT!

- Classic Red and Tropical White
- No refrigeration needed — Sangria gets poured over ice
- One-way keg = no deposit, no return
- No special gas needed to dispense — can even be hand-pumped with air
- Lighter in calories — fruit-sweet, not sugary
- Product stays fresh for 9 months after tapping
- Kegs may be untapped, stored, then retapped (perfect for caterers)
- Clamp-on towers allow for portability and will create an extra offering rather than taking a kegerator spot
